## Monday, January 17

**BREAKOUT** | 4:00 – 5:30 PM | JASMINE A/B  
**Biodiesel, Renewable Diesel and Sustainable Aviation Fuels: Exploring Clean Fuels and Markets**

This clean fuels 101 session is a must for anyone new to the industry, market or simply looking for a refresher.

### SPECIAL EVENT

6:00 – 8:00 PM | PALM FOYER  
**Welcome Reception**

## Tuesday, January 18

**BREAKFAST** | 7:30 – 8:15 AM | SOUTH SEAS BALLROOM

**MAINSTAGE** | 8:30 – 10:00 AM | SOUTH SEAS BALLROOM  
**Coming up Aces: Biodiesel, Renewable Diesel and Sustainable Aviation Fuel in the Age of Decarbonization**

As major corporations and governments go “all in” on net-zero carbon, business models in the traditional petroleum sector and beyond will likely experience disruption in 2022 and beyond. Our expert panel will tackle the question: *How can low-carbon fuels work together?*

**BREAK/CONFERENCE CENTRAL EXPO** | 10:00 – 10:45 AM

**BREAKOUT** | 10:45 AM – 12:00 PM | JASMINE A/B  
**Doubling Down on Feedstock: How Will We Meet Growing Demand?**

Tight fats and oils supplies, coupled with continued uncertainty in the policy arena, beset the industry in 2021. Engage with market and technology experts as they provide their outlook for fats and oils, and examine new crops and technologies that are sure to impact the market over the next decade.
